

# Teacher's Pet

by DANIEL KIRK

There's our teacher at her desk,  
and there is Tommy Trapp.  
If he gets any closer,  
he'll be sitting on her lap.

Our teacher's great, we love her lots,  
but Tommy loves her more.  
He brings her poems, flowers, too,  
and apples by the score.

He's teacher's pet! It's plain to see  
what's going on with Tommy,  
for sometimes, when he's really close,  
he calls our teacher Mommy!
